

USATF National Officials Committee
New LDR Officials Rules Review
Long Distance Running and Cross Country
2009-2012 Olympiad Edition

Part 1 - Applicable For New Officials

Instructions: Fill in the missing word(s) from the following rule statements taken from *USA Track & Field 2008 Competition Rules*. Although some statements provide a context reference (e.g., “[At the Fall Cross Country Championship]”) or do not complete the entire sentence (as indicated by “. . .”), the statements are quotes drawn from the *USA Track & Field 2008 Competition Rules* in a **sequential order**. Please **PRINT** your answers on the **ANSWER SHEET** provided and return it to your Association Certification Chair for his/her review.

Purpose: This is not an exam. Rather, our goal is that every certified LDR official be familiar with and understand the *current* content and location of the rules applied to USATF LDR competitions. This review, a part of the Committee’s three-step training program (clinic, formal rules review and supervised practice), emphasizes those rules which are basic to USA Track & Field LDR competitions. Effective competition officials do not rely on memory alone in making decisions--when in doubt they look it up. Note this review is intended for LDR Officials certification only. If you also want to be certified as a T&F official also you would need to complete the appropriate level of T&F exam. Note some sections of the rulebook are applicable to all competitions. This review will emphasize important rules and rule changes that have occurred since 2005 in Long Distance Running and Cross Country. Questions are in sequential order with the book.

Note: This is a 2009- 2012 Olympiad Rules Review and requires the USA Track & Field 2008 Competition Rules or later to complete. The current rulebook can also be found on line under Rules section of USATFofficials.com or downloaded from www.usatf.org.

ARTICLE I -- Championship Events

1. (National) In the Men’s and Women’s Senior and Junior Cross-Country Championships and the Men’s and Women’s Long Distance Running Championships, only citizens of the United States who are eligible to represent the United States in all levels of (1) _____ competition are eligible to compete.
