

## **Instructions for Printing**

1) Print as many numbers as desired onto Avery #5263 (2"x4") self-adhesive labels. When printing the PDF file, be sure the Page Scaling in the Print dialog is set to "None".

2) Then, peel and stick the labels onto standard 4"x5" index cards. Use colored index cards if you have more than one event.

Print extra labels to replace lost or damaged cards.

Created on 5 October 2008 by Justin Kuo <[jkuo@usafne.org](mailto:jkuo@usafne.org)>
