

## USATF-NEW ENGLAND GRAND PRIX SELECTION WORKSHEET

2017

This worksheet is intended to help guide voters in their selection of the events in the 2017 USATF-NE Grand Prix Series. We recommend following three (3) "Event Proximity Guidelines" to eliminate voting for events that are in date conflict with one another under the following conditions:

1. No event of 15k or over should be selected if within 15 days prior to a marathon; no event should be selected within 15 days after a marathon.
2. No event should be selected if within 13 days prior to or following an event 12k-30k.
3. No event should be selected if within 7 days prior to or following any event 10k or shorter.

Mark with X	Miles	Category	Race Name	State	Date	Conflicts Selected Listed event should not also be selected	If Selected Listed event should not also be selected	Conflicts Selected Listed event should not also be selected	If Selected Listed event should not also be selected
